LANGTOFT BOWLS CLUB

Fordham Trophy 2026

This year's Fordham Trophy competition is scheduled for **Sunday 16th August** starting at **10:00am** an entry fee of £8 per person is payable on the day. This is an opportunity for a day's bowling and to raise a few pounds for the clubs funds, so please support the competition. Last year, we awarded the trophy to the winners of a social pairs competition. This year the format will be different, in simple terms, it's a 3 bowls open pairs format, each match to be played over 5 or 6 ends. Each end, closest to the jack scores 3 points, second scores 2 points and third 1 point and if any delivered wood touches the jack, it scores a 2 point bonus. Now, each team gets a 'Power Play', meaning that before an end of their choosing, they can play their 'Power Play' and the points that they score at that end are doubled. Each team will play 5 matches over the day, the exact number of ends and matches will be determined by the number of entrants. I will create a custom scorecard with the rules on the bottom for easy reference whilst you're on the green.

Please bring your own packed lunch, coffee/tea & cake will be available to purchase on the day.

Put your pairs below if you would like to play, closing date for entry is Sunday 12th August:-

Any questions about plans for the day please (email:jimw.pryor@gmail.com), or give me a call on 07801 724736.
